Next Level Scholars 🌟

Our MHS Next Level Scholars are striving to reach their annual fundraising goal!

"We are raising money for academic support and scholarship programming for Next Level Scholars. This program helps prepare students for life after high school and future careers. We attend universities for tours of the campus like University of Michigan, Detroit Mercy, and Eastern Michigan to name a few. MHS has been a part of this program for several years assisting students financially, supporting their higher education, and developing their careers. We currently have 28 members this year and will induct 10 new members next year! Please consider donating to our cause and help our students be successful!"
